Ladies and Gentlemen,

We are officially ONE MONTH from production! Remember that your attendance and attitude are crucial to the success of this show. **You** are on stage when the curtain opens; be sure your behavior and work ethic in upcoming days reflect the kind of performance you intend to give come Friday, November 21 at 7:30 p.m. Be kind to one another and enjoy the spirit of creating some theatrical and musical magic. Consider what you are bringing to rehearsal every single day. You are part of a potentially fabulous production. Listen and SMILE! --Your directors ☺
