## Christmas 2009

### A Message from the President Couple

We would like to take time out from all of the holiday parties, shopping and year-end festivities, to focus on what is really important - our family, friends, and the blessings bestowed on us throughout the year.

Thank you to all of the parents, faculty and staff who helped during the first half of the school year. Your efforts are greatly appreciated and contributed to the many successful events which started off the new school year.

We also want to thank those who have volunteered for Parent Guild events in the new year. The Parent Guild's largest fund raiser, the **Irish Sweepstakes**, is coming soon and we could not do it without the support of many volunteers. If you cannot attend the gift gathering party, sponsored by the Parent Guild on **Friday, January 29th**, we encourage you to send in to school, gift cards or other items that can

be included in the baskets being put together for raffle at the Irish Sweepstakes. Your help, large or small, is always appreciated.

We wish you all a happy, safe and blessed holiday season.
