

Parent Guild Newsletter January 2010

A Message from the President Couple

Welcome back to school and the many activities planned by the Parent Guild in the coming weeks. As we put away the Christmas decorations, we would like to thank Gail and Bill Phillips for all of their hard work on the wreath sale.

The candy sale kicks off on January 11 and runs through January 22.

The Parent Guild gift gathering party is scheduled for Friday, January 29 in the school foyer. Be sure to save the date. This is a casual social event and a great opportunity to spend time with faculty, staff, parents and friends of IA. The price of admission is an unwrapped gift of your choice to be raffled at the Shamrock Sweepstakes.

It may be snowing outside but the Parent Guild is hard at work planning the **1st Annual IA Golf Outing** to be held on May 23rd at Concord Crest. If you are interested in helping with the planning, please call Pam Fielding.

The next Parent Guild meeting will be **Thursday, January 14 at 7pm, in the library.** All parents are welcome and encouraged to attend.
